This amendment responds to several RFAs dated March 9, 2011. A March 5, 2011 RFA specifically regarding the 12G report has been addressed with a Form 99, filed April 11. This amendment addresses other issues discovered while responding to RFAs for reporting periods prior to and following the 12G period. Specifically, this report reflects a change in the opening cash on hand based on amendments to the October Quarterly report. It also reports increased receipts because of a data entry error in the Committee's reporting software, which inadvertently omitted all contributions received through one of the Committee's fundraising programs. Additional details on this issue are presented in the October Quarterly amendment. The expenditures reported have also increased due to an error in reporting expenditures for the Tea Party HD Tour. The original report omitted a zero; the expenditure should have been reported as \$30,000, rather than \$3,000. Finally, the FFE Adventas expenditure in the original report has been moved to the Post-General report to coincide with Independent Expenditures notices filed during that period.
